City Council work sessions are informal meetings of the elected body designed to allow the Mayor and Council Members to prepare for upcoming regular meetings, have staff briefings on issues, and provide an opportunity for more detailed discussions amongst themselves. The meetings are limited by City Ordinance to 90 minutes; but with Council consensus may be extended by an additional hour. The meetings are set in accordance with the State Open Meeting Law and no discussion can take place on issues/topics that have not been posted on the agenda at least 24 hours in advance. The public is welcome to observe the meetings in person or on Cox Channel 12, but time is not reserved on work session agendas for public comment. The public may, however, address the City Council at their regular twice monthly meetings or share written views through the City website, www.SierraVistaAZ.gov.
