Airport Operations Report – Public Works

Fort Huachuca/Libby Army Airfield - Airfield Manager Carol Thompson:

- TWY Charlie and Echo construction continues. Their end date was pushed out due to lost work days. New date is August 26, 2019. Please note: if the contractor finishes ahead of schedule, they receive a bonus. We may get it sooner. They have 2 more concrete runs and then some hand pours. The batch plant will be removed no later than February 28, 2019.
- The hosting unit was operating out of Hubbard LZ and they've moved to Pioneer airstrip. Hence, they are flying between 1600-0700 daily through Saturday mornings.
