

**THANKSGIVING
ALL COMMISSIONS
MEET & GREET**

**Tuesday
November 1, 2016
5:00 PM
Landmark Cafe**

This is the last time we get to meet together in 2016. Make it a point to come to this very important gathering. This is an opportunity to share what we have learned and learn what other commissioners have learned.

We thought we would do something a little different since it's coming on the Holiday Season. Pam Anderson at the Landmark Cafe will be serving the typical Thanksgiving Dinner for only \$10.00. This is the amount that we spend bringing snacks to our other meeting.

Every Commissioner gets bragging rights. You get to tell us what you have done and what is on the horizon for your commission. By sharing with each other we encourage each other to keep moving forward.
