This month many local residents pedaled to work, around town, and just for fun as part of National Bike Month activities that included a week-long celebration at local schools. These festivities were capped off by news that Sierra Vista has received a bronze level designation as a Bicycle Friendly Community.

The designation reflects the many ways Sierra Vista supports bicycling including efforts to share bicycle safety education opportunities, access to bicycle amenities like Sierra Vista’s 30-mile network of multi-use paths, and community participation in events like Walk and Bike to School Day, which was celebrated by local schools in May. Sierra Vista is now one of 416 communities in the nation—and 11 in the state of Arizona—that have received a Bicycle Friendly Community award from the League of American Bicyclists. The designation is valid for four years.

“We applaud these communities for making improvements for people who bike in ways that build upon [the communities’] existing strengths and are based upon their particular needs, whether that is infrastructure, education, or encouragement,” said Bill Nesper, executive director of the League of American Bicyclists. The designation is valid for four years.

“This designation highlights Sierra Vista’s growing reputation as a community that provides ample amenities for cyclists and offers residents the resources they need to enjoy a healthy, active way of life,” says Judy Hector, marketing and public affairs manager for the City. “This also bolsters our tourism efforts to attract cyclists to Sierra Vista, where they can enjoy stunning scenery and temperate year-round weather that make our community an ideal destination for this emerging market.”

You can learn about free maps and resources available to help you get out and enjoy Sierra Vista’s multi-use paths, bike lanes, and bicycle-friendly routes around town on page 4 of this edition of Vistas.

ABOUT THE BICYCLE FRIENDLY COMMUNITY PROGRAM

The Bicycle Friendly Community program was created in 1995 and has processed more than 1,200 applications since 2002. To access Sierra Vista’s Bicycle Friendly Community report card and learn about other communities that have received a designation, head to bikeleague.org/bfa/awards#community.
FROM THE MAYOR

Living in a Great American Defense Community

by Rick Mueller, Mayor

On Memorial Day, Sierra Vista joins communities throughout the country in honoring the men and women who have paid the ultimate sacrifice while protecting our great nation. Memorial Day always carries added significance in a military town, where so many of our friends, neighbors, and family members have served in the armed forces or still do.

“As a veteran myself, I’m proud to live in a community where service members and their families are welcomed, supported, and celebrated.”

As a veteran myself, I’m proud to live in a community where service members and their families are welcomed, supported, and celebrated. It’s what led to Sierra Vista’s designation as a Great American Defense Community by the Association of Defense Communities this year, fresh off of winning the association’s Community Excellence Award the year prior.

We benefit from an impressive team of community partners that ensure Fort Huachuca has what it needs to fulfill its key military missions, while providing its soldiers and their families the support needed to thrive. I’m happy to say Fort Huachuca is positioned well to meet the future needs of the U.S. Army, which puts our community in a favorable position after feeling the pinch of federal cutbacks in recent years.

Recreational Amenities Go Beyond Bikes

by Chuck Potucek, City Manager

Sierra Vista’s recent designation as a Bicycle Friendly Community reflects some of the strides the City has made to offer residents facilities, resources, and activities to enjoy an active way of life. These efforts are ongoing and, as you can see in the many recreational programs shared here in Vistas, extend well beyond bicycling.

Sierra Vista’s Great American Defense Community Designation provides another opportunity to do that. I’ll be traveling with City staff to Washington D.C. in June when the Association of Defense Communities spotlights Sierra Vista as one of this year’s honorees. There we will meet with members of Congress with influence over the nation’s defense installations to ensure Fort Huachuca’s unique assets and capacity to take on additional missions are known.

After I return, I look forward to joining the community in celebrating our nation’s independence on the Fourth of July. With the best fireworks show in Arizona and a full day of family-friendly activities in Veterans Memorial Park, Sierra Vista’s Independence Day celebration is another opportunity to see what living in a Great American Defense Community is all about.

Even in years with constrained resources, our staff is constantly looking for new ways to improve our recreational assets and help residents make the most of our beautiful year-round weather.

Visitors to Veterans Memorial Park recently may have noticed two of our latest additions. Located near Ramada one, new pits for horse shoes and corn hole are now available. Players must bring their own horse shoes or bean bags and there is no charge to play.

Regular indoor pickleball at the Rothery Educational Service Center has proved to be a popular addition to our programs. As a result of growing interest in this sport and a generous donation from Bisbee Vogue Inc., the City has converted one of the two tennis courts by the Oscar Yrun Community Center into four pickleball courts. It’s a great activity that’s growing quickly partially because it’s so well suited to any age group.

Over at The Cove, our staff has added some new twists as well. The Wibit AquaTrac, an inflatable obstacle course, has been a welcome addition to the facility’s special events. Plus Summer Swim Team will give kids ages 5 through 17 a taste for competition in a friendly atmosphere.

Aside from new programs or amenities, the City has also explored new ways to keep some of our most heavily used sports fields in good condition. The soccer complexes at Domingo Paiz and Cyr Center Park have been the focus of ongoing turf revitalization plans. By rotating use between the two complexes and acquiring a deep tine aerator for regular maintenance to be done in house, we’re able to better keep pace with the frequent play these fields see.

These latest changes are among the many big and little examples of the work our parks and leisure staff does every day to ensure our residents have the best resources available to enjoy a healthy and active lifestyle.
GET ACQUAINTED

by Mary Jacobs, Assistant City Manager

Community members may have seen John Garza out and about while enjoying our community’s many beautiful parks. He takes pride in making sure they stay in great shape. Helen Lee works more behind the scenes but demonstrates the same extraordinary enthusiasm in her role as a buyer in the City’s procurement division.

The pride in John Garza’s voice when he describes “his parks” is unmistakable. John is one of the City’s park maintenance workers, and he is assigned to the Cyr Center, Soldier Creek, and Len Roberts parks on the West End. What used to be a team effort before the economic downturn is now John’s sole responsibility. He takes care of the mowing, restrooms, irrigation, weed control, playground inspections, litter removal, and other tasks needed to keep those parks in tip top shape. During his three years on the job, John has met and bonded with many local residents who use those parks regularly, welcoming their own community pride when they pick up garbage on their walks or point out something that needs attention. He and his wife, Evelia, have six children and five grandchildren, two still at home. Born and raised in Sierra Vista, John and his extended family spend a lot of time together. He is quick to brag about his wife’s amazing cooking, something that is central to family time together. Food ... and corn hole! John was instrumental in identifying a new heavy-duty corn hole board for public use that was recently installed at Veterans Memorial Park. He and his family are also regular visitors of Parker Canyon Lake, often bringing along his fishing boat and tents for a quiet weekend. A former football player himself, John has coached his son’s team for five years. He loves his kids, but John’s eyes sparkle when he talks about one of his favorite things, dancing with his beautiful wife!

It was an unusual path to Helen Lee’s current job as a buyer in the City’s Procurement Division. Nearly eight years ago, she took a position as a transit dispatcher. Later, Helen was promoted to the City Clerk’s office where she also provided assistance to the City Attorney and earned her paralegal certificate. A year ago, she moved to procurement, and she describes how much her previous experience has helped her be a more effective buyer. Her background helped her understand both the programmatic needs of a division, as well as big picture city issues. Helen is challenged every day to find commodities that offer the best value to city departments. Her legal experience has been invaluable in understanding grant requirements and complex contracts. Variety makes her job interesting. One day she’s finalizing a contract for striping crosswalks, another it’s purchasing a manure spreader. Both Helen and her husband, Richard, were born and raised in Sierra Vista. Married almost eight years, they originally met in high school at a Battle of the Bands event at Veterans Memorial Park. Richard is a systems engineer for a local defense contractor, but he also has an alternative rock band, Finite Fiction, that plays locally and across the state. They have two children, Joey (5) and Maya (almost 3) who will be starting kindergarten and pre-school. Mom will also be starting school at the same time ... to earn her MBA. Asked whether she has her own musical talent, she will admit only to singing to her kids!

In April, the Department of Defense Office of Economic Adjustment awarded the City of Sierra Vista a grant of more than $720,000, which will launch two initiatives designed to help diversify the local economy to make it less reliant on the defense sector. That grant total includes a local match of nearly $80,000, which is being provided by the City of Sierra Vista largely through the use of existing staff to support the new initiatives. These initiatives are the Sierra Vista Airport Diversification Study and Strategy and the Sierra Vista Technical Assistance Program, both of which will be completed over the next two years.

The airport study and strategy will explore how to foster better commercial use of the Sierra Vista Municipal Airport to enhance job creation. The study will explore how the City can best use about 10 acres of unused or underused land, as well as analyze ways in which existing buildings could be best used for economic development.

The Sierra Vista Technical Assistance Program will offer technical support to local companies seeking to expand in areas not tied to the defense sector. Companies will be selected through a competitive application process, with an emphasis on technology-based businesses and those that can create local jobs.

The technical assistance program will provide a variety of business development services and resources, such as mentoring, training, and physical space for small companies poised to grow.
EXTRAORDINARY RIDES, UNCOMMON RESOURCES.

BICYCLE & MULTI-USE PATH MAP

Sierra Vista features a network of more than 30 miles of paved multi-use paths and 22 miles of bike lanes, and charting a safe, stress-free ride is easy, providing you have the right resource!

The City's free Bicycle & Multi-Use Path Map is a complete, pocket-sized guide that details much more than multi-use paths and bike lanes. It charts selected bike-friendly streets and suggests key connections for bicyclists heading around town. It also lists local services, facilities, and landmarks.

The map offers some tips for experienced cyclists interested in stretching their wheels on longer rides through our scenic corner of Arizona as well. Several regional loops and scenic side trips are detailed in the map. Popular among local cycling groups, these suggested rides offer newcomers a great starting point as they start to explore our local area.

BICYCLE MOUNTAIN TRAIL MAP

With the recent Cochise County project to complete a multi-use path along Ramsey Canyon Road, the City’s network of paths and bike lanes feeds directly into some of the community’s most popular mountain biking trails!

Whether it’s a beginner-friendly ride along Garden Canyon Linear Wash or a more challenging climb into Brown Canyon, the best local rides are featured in the City’s free Bicycle Mountain Trail Map. A companion piece to the Bicycle & Multi-Use Path Map, the mountain biking map also fits neatly inside your pocket. It details three of the most popular local trails and offers an overview of some other mountain biking options in the area.

COCHISE VISTA TRAIL

Local bicyclists wondering where to start may want to try out the Cochise Vista Trail.

Charted by the Cochise Bicycle Advocates, the Cochise Vista Trail began as a 12-mile north and south route through Sierra Vista. Last fall, the trail was expanded into a 20-mile loop that extends from Buena High School down to Ramsey Canyon Road.

The original Cochise Vista Trail is marked in the printed version of the Bicycle and Multi-Use Path Map and the online version has been updated with the full loop. The trail sticks to some of the safest and most user-friendly routes in Sierra Vista and also offers a scenic ride with panoramic views of the Huachuca Mountains at its southern end.

GET YOUR MAPS

The Bicycle & Multi-Use Path Map, Bicycle Mountain Trail Map, and a map of the Cochise Vista Trail are all available for free at the Sierra Vista Visitors Center, located inside the Oscar Yrun Community Center at 3020 E. Tacoma Street. Maps are also available at some other City facilities like the library, City Hall, and The Cove, and at local bike shops.

Digital versions of the maps are available for free at www.SierraVistaAZ.gov/download-maps.
AROUND TOWN

Join Us Outside!

The staff at the Teen Center work hard to provide all teens ages 12 to 17 a variety of free programs each week. Every event at the Teen Center is free, supervised, and planned by energetic staff who enjoy working with youth. The June and July events have something to offer teens of all interests. From guided meditation classes to ping pong battles, the Teen Center offers it all. Staff encourages you to stop by to meet them and take a tour any time the Teen Center is open.

This summer staff has planned special gaming nights such as Dungeons and Dragons for teens who enjoy indoor activities (make sure to try out our new PlayStation 4), and a series of outdoor events for those who like more physical activities. Program suggestions are welcome, so if there’s an event you would like the Teen Center to host, call (520) 459-8744 and let staff know.

All upcoming events are listed on the City’s calendar of events at www.SierraVistaAZ.gov. In addition, paper copies can be found at both the Teen Center and the Sierra Vista Public Library. Follow the Teen Center on Facebook for more information and updates on events.

What’s Up with That?!

This series features responses to some of your questions and comments received at the Sierra Vista Public Library.

**The comment:** Who is Dewey, the interlibrary loan kitty?

**The response:** The black cat who occasionally appears on the library’s facebook page is Dewey. He is the official mascot of the library’s interlibrary loan service. Though Dewey resides with Debra, the interlibrary loan lady, he makes occasional visits to the library to make sure everything is running smoothly.

In June 2015, Dewey was abandoned inside a duffel bag in the library lobby. He was about eight weeks old, hungry, and sick. But luck was with him and with the help of some nice veterinarians and lots of tasty food, Dewey recovered and today is a sweet, healthy little guy.

Dewey has graciously agreed to a short, exclusive interview with VISTAS.

**V:** How did it feel to be abandoned in the library? Were you scared?

**D:** I was really little and wasn’t feeling well so I don’t remember everything clearly. But I do remember seeing all those books and thinking, “Things are starting to look up!”

**V:** You’re not the first cat to be abandoned in a library. Why do you think that happens?

**D:** Maybe because everyone knows that all libraries could benefit from a cat or two. But libraries simply aren’t equipped to take proper care of us. I visited the Nancy J. Brua Animal Care Center briefly and it’s a far more desirable place to take a homeless kitty, if it must come to that. I’m lucky things turned out well.

**V:** Do you enjoy your job as official mascot?

**D:** It’s great! My primary duty is to look adorable, and I’m really good at that.

**V:** If you could give one bit of advice, what would it be?

**D:** Before getting a pet, borrow a library book on pet care and talk to animal care professionals about cost and time requirements. If you need help caring for a pet, ask pet organizations and animal care centers for resources. If you absolutely cannot properly care for your pet and must part ways, please take it to a proper pet care facility. I got lucky, but not every kitty does!

**BORROW AN ADVENTURE**

Your library card also grants to access to several Discovery Packs, each geared to a different theme and filled with tools to help community members experience a new adventure! Plus there are fitness kits designed for both the body and the brain.

The Telescope Pack features a telescope, stand, and astronomy guide donated by the Huachuca Astronomy Club. It’s the perfect way to check out Sierra Vista’s extraordinary night skies!

The Birding/Butterfly Pack comes with two pairs of binoculars, including one suited for children, and identification guides to help patrons learn about our area’s uncommon natural diversity. The Geocaching Pack includes an Xplorist GPS, manual and cable to download waypoints, and the Idiots Guide to Geocaching. Both of these packs were sponsored by the Friends of the Sierra Vista Public Library.

The Hiking Pack has everything residents need to start exploring Sierra Vista’s unique sky island environment. It includes a “Trails of the Huachucas” guidebook, monocular, compass, telescoping walking stick, and a hiking essentials card.

The library also has a variety of fitness kits designed to work out your body or your mind. The physical fitness kits include instructional DVDs and basic equipment, while the brain kits feature interactive games, brain teasers, and puzzles.

Discovery packs and fitness kits can all be checked out for two weeks at a time.
SUMMER READING IS FOR EVERYONE!
For the second year the library is hosting the Summer Reading Program for adults. Join in activities such as reading, listening, and reviewing books, come to speaker events, do some crafting, and play library bingo. Check out the library’s calendar of events for all events, dates, and times.

MARTIAL ARTS

JUJITSU
Fering Cruz Jujitsu is a Japanese art form of self-defense. The art emphasizes the principles of life’s values, discipline, respect, fitness, coordination, and leadership. Safety and awareness is of great importance in this class. Younger students will learn the fundamentals of self-defense. Older students will study the art with the emphasis of mind and body awareness. This is not a “grappling” class.

SIERRA VISTA MARTIAL ARTS
Sierra Vista Martial Arts is a blend of Chinese, Okinawan, and Western martial arts developed by the instructors, and contains elements of Kung fu, Okinawa Te, and Combat Judo as well as Western methods like boxing. Instruction is based on forms (kata) and their analysis, extensive partner training, individual and small group study, and exploration of presented material. The goal is to train thinking, analytical martial artists who can see beyond the confines of the course material and integrate them with concepts taught by other systems. As such, cross training and the study of other systems is encouraged. The focus is on civilian self-defense, not on the modern sporting versions of martial arts.

BASIC ARCHERY
Learn the fundamentals of archery and become a better archer with proper instruction. Master Coach Jerry Busha will teach archers the correct form and technique using supplied equipment. Learn the parts that make up the bow and the arrow, how to use the equipment safely, correct arrow release, aiming, and shot sequence. This class is open to beginner and current archers ages 10 and older.

**BASIC CANINE EDUCATION**
Do you and your best friend need help? Look no further for the answer — training! Instructor Rocky Boatman is well known in the “canine community” both locally and nationally.

**ADVANCED ARCHERY**
This archery class is for students who have completed other archery classes. Master Coach Jerry Busha will teach advanced archery skills and advanced equipment setup and maintenance. Learn what to expect when competing, and shoot using NFQAA and FITA scoring. This class is for ages 10 and older.

**GROUP UKULELE INSTRUCTION**
This will be a beginning level, performance based class with the goal of learning a simple, fun instrument while providing a social outlet and public performance opportunities. The class uses the Hal Leonard Ukulele Method, Book 1, by Lil’ Rev, which can be found online, or purchased from the instructor for $7 or the current market cost. Loaner instruments are available for $10 on a limited basis with a refundable deposit between $30 and $50 depending on instrument replacement cost. The ultimate goal is to form an active and thriving ukulele “orchestra” in Sierra Vista.

**WRITING YOUR LIFE STORY**
Are you writing your life story for yourself, your family, or for publication? If you are, then this course will get you on track to reach your goal. It’s for those who have already started on their life story and those who don’t even know where or how to begin. Each week there is a new assignment, with group participation and feedback. Come join this fun and challenging course.
